Lawn Party For Missionary Family

At 6 p.m. this Saturday evening the members and friends of the Bible Baptist Church will be giving a lawn party, consisting of covered dishes and homemade ice cream, for their missionaries, Mr. and Mrs. Jack Windisch and family. They will be leaving, the Lord willing, May 31st, for Israel as educational missionaries.

The Windisches have been preparing seven and one-half years: two years schooling at Baptist Bible College in Springfield, Missouri; three and one-half years schooling and preparation at the Texas College of Theology in Pasadena, Texas; and one and one-half years deputation work. Previously, he had 4½ years at the University of Maryland in Washington, D.C. They have been members at the Bible Baptist Church for eight months and although the Bible Baptist Church contributes support to 13 other missionaries couples, the Windisch family will be the first missionary family to be sent out from our church.

Pastor Lucas and the members of the church extend to our many friends of the Appomattox area a warm invitation to come and enjoy some great Christian fellowship with us on this occasion.

The Bible Baptist Church will begin a daily broadcast on Appomattox's new radio station, WTTX 1280 on the dial, starting Monday morning, June 3rd, at 9:00 a.m. seven days a week. The name of the broadcast will be "The Puritan Pulpit." We encourage our many friends in the Appomattox area to be sure and listen each day seven days a week.

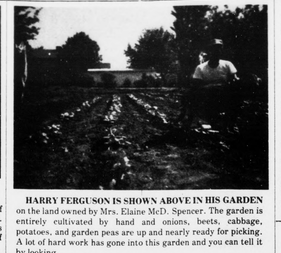
WHOS WHO IN FBLA

Gay Honeycutt, daughter of Mr. and Mrs. Robert M. Honeycutt was chosen as Who's Who in FBLA for the month of May.

Gay is presently holding the office of Reporter and will serve as First Vice-President for the 1974-75 school session. She will also serve as Parlimentarian for the Longwood Region next year.

Among the activities in which Gay has participated in this year are working and riding on the FBLA Homecoming float, she brought baked goods for different activities, sold trash bags for the March of Dimes, sold candy, attended the Longwood Regional meeting, and attended the state convention which was held at the Hotel Roanoke.

The Appomattox Chapter of FBLA is very proud to have a member like Gay.



HARRY FERGUSON IS SHOWN ABOVE IN HIS GARDEN on the land owned by Mrs. Elaine McD. Spencer. The garden is entirely cultivated by hand and onions, beets, cabbage, potatoes, and garden peas are up and nearly ready for picking. A lot of hard work has gone into this garden and you can tell it by looking.

HOLLYWOOD

Hollywood Baptist Church Revival is in progress this week. Rev. Louis Broughman of County Line Baptist Church of Calisburg, Va. is the guest speaker. You are invited to come and worship with us.

Mr. & Mrs. James Woodall attended the graduation of Mrs. David Woodall at Longwood College Saturday Morning.

Mr. Elmo Banton of Richmond spent Saturday with his mother, Mrs. C. R. Banton.

We are very sorry Mrs. Mattie C. Franklin is sick. She is in Lynchburg with her daughter Mrs. Sam McFall & Family for awhile. We pray she may soon be well. Her address is 1307 Fenwick Drive, Lynchburg, Va.

Mr. & Mrs. Robert Coleman, Mrs. J. L. Torrence, Rev. & Mrs. Otis Smith and Mrs. W. T. Covington spent Friday with Mrs. Lillian Coleman.

Mr. & Mrs. L. M. Woodson of Lynchburg visited Mr. & Mrs. L. L. Webb and family Tuesday.

Mr. Richard Jenkins of Baltimore visited his mother Mrs. Addie Jenkins and sister Mrs. Burr Abbitt at Liberty House, Lynchburg. Mr. & Mrs. Julian Jenkins and Mr. & Mrs. H. W. Jenkins last week. Mrs. Addie remains critically ill. We pray for her and her love ones.

We are glad to hear Mr. Dan Wooldridge is improving and hope he may soon be well.

We are sorry to hear of Mr. Lewis Ragland's illnes. We wish for him a speedy recovery.

A large crowd attended the Shower given in honor of Miss Nancy Coleman at Hollywood Church Saturday Night.

Mrs. Iva Covington and Mrs. Emma Lemon spent the week in Roanoke with Mrs. Eddie Ponton.

Mrs. Maude Deaner of Lynchburg and Mrs. Peggy Hartness from Phenix, visited Mrs. C. R. Banton, Sunday.

Mr. Thomas Woodall visited his aunt Mrs. Mary Bagby and sister Mrs. Walter Wingfield and family during the week end.

A retirement dinner was given in honor of Mr. Clarence W. Coffey of Covington Friday Evening at Moose Park by Westvaco #8 paper machine. Mr. Coffey is the father of Mrs. Thomas Woodall and has 39 years with this company.

Mrs. C. R. Banton and Mrs. John Goin visited Mrs. Mamie Hancock last week.

Dinner guest Sunday of Mr. & Mrs. James Woodall were Mr. Jimmie Woodall of Richmond, Miss Charlotte Evelyn of New Cantos. Mr. and Mrs. David Woodall of Farmville, and Mr. and Mrs. Jackie Woodall and Wendy of Spout Spring.

Mr. & Mrs. W. H. Wingfield visited relatives in Lynchburg Saturday.

Mrs. Kenneth Deaner was a luncheon guest of Mrs. Mary Bagby Wednesday. Mrs. Roger Franklin and son Michael and Janet Austin called in this house Friday.

FFA Father-Son Banquet To Be Held

The Appomattox Junior Chapter of Future Farmers of America will conduct their annual Father-Son Banquet on Friday night, May 24, 1974 in the Intermediate School cafeteria at 7 p.m.

Special recognition will be given to those FFA members who have made outstanding achievements during the past year. Special awards will be presented to adults who have rendered special assistance to the FFA Chapter.

Puritan Pulpit

"A RAINBOW IN YOUR TOMORROW"

The world today hopes for world peace, yet wars and rumors of war persist. Doctors as well as all human beings long for a disease to be conquered and yet millions suffer and die. We all hope for peace of mind but psychiatry, psychology, medicine with the tons of transquilizers fail to rid us of fear, confusion and turmoil. Idealists say there must be no discrimination and men should be treated equally, yet the papers are filled with accounts of riots, civil disobedience and hate for each other.

The Christian today also hopes for world peace, an end of disease, peace of mind and equality, yet if we look for the reason, we know this cannot be. Paul said in I Cor. 15:19, "If in this life only, we have hope in Jesus Christ, we are of all men most miserable." He said this because Christians have a living Hope. The Bible says more about the second coming of Christ than about His first coming. There are more prophecies about his second coming than about His birth. The angels in heaven proclaimed it saying, "Ye men of Galilee why stand ye gazing . . . this same Jesus shall come again . . ." Jesus in our escort into the Father's House (Matt. 24:27-46) it is interesting to note that the Gospel writers did not include the same stories of some things Jesus did, implying that the writers more than other things. However, all of the New Testament writers told of the Second Coming of Christ. For this was and is the Hope of every Christian.

There are two stages of Christ's Return: the rapture when we as Christians are "caught up" with the Lord in the air and the Millineum when we shall return to earth with Him. There are several reasons why Christ gave us this hope: It encouraged for we read in I Thess. 4:13-18 that death is not the end but the beginning. The Hope purifies. We are to live each day as if that day could be the day of His return.

The Blessed Hope inspires. God does not expect us to fold our hands and do nothing but to work diligently winning the lost and serving and honoring Christ by our lives. We must remember that where much is given, much is required.

Ernie W. Lucas, Pastor
Bible Baptist Church
Appomattox, Va.

'74 NOVA

Honesty is the best policy. Nova doesn't pretend to be anything it isn't, and it's proud to be everything it is: sensibly sized, good looking, fine priced, well built.

We think a better car this year, too, with its new bumper system that retracts on minor impact, and its protective new occupant restraint system for driver and right front passenger.

Plus a little added "sparkle" here and there, such as the new bright anodized aluminum hubcaps and the new "Nova by Chevrolet" nameplates on the hood and deck.

New, too, for the Nova Hatchback and Custom Hatchback, is a handsome two-tone paint treatment in your choice of six metallic colors on the lower body, topped with Antique White on the roof.

Standard Nova Coupe. You might call it "the" Nova. Traditionally the most popular Nova of all, the standard coupe has things a lot of people are after in a car. Low initial price, pleasant styling, reliability—in a package that's bigger than a small car, smaller than a big car, comfortably in between.

Standard Nova Sedan. Four count 'em, four doors. Because some people won't settle for two or three. So we offer you four-door convenience combined with Nova reliability in a car that's smaller than many on the road, but still seats six inside.

If you're a "big car man" looking for something smaller and more economical, this just might be it.

Standard Nova interior. It hardly looks "standard" at all. Not if "standard" suggests drab. Look at your choices:

For the coupe and hatchback—black, green or neutral cloth-and-vinyl with mixed-tone seating areas.

If you prefer all-vinyl, we offer black, blue, green or neutral. Plus saddle, for the hatchback only.

Buckets? You have four available all-vinyls: black, green, neutral—plus saddle for hatchback only.

Standard Nova 4-Door Sedans are available in three cloth-and-vinyl choices with mixed-tone seating areas. One is black, one is green, one is neutral.

There are also four all-vinyl selections: black, blue, green and neutral.

Nova Custom models only.
• Bright roof drip molding. • Special fender and rocker panel lower molding. • Special front decor "Nova Custom" nameplate. 1. Bumper impact strips. • Bright parking light and taillight accents. • Glove compartment light, cigarette lighter, 10° day/night rearview mirror and luggage compartment mat. • Color-keyed cut-pile carpeting. • Bright instrument cluster accents. • Right front door dome light switch. • Special floor and hood insulation.

All '74 Novas.
Improved bumper system. Front and rear bumpers retract up to two inches on minor impact, then return through the action of twin hydraulic cylinders. Front bumper guards are also standard this year. 3. Turbo-Fire 350-cu.-in. V8 engine. The new standard V8 engine for all 1974 Novas. This larger displacement V8 offers increased performance over last year's 307-cu.-in. base V8 engine. • New all-aluminum hubcaps, polished and anodized, designed for easier installation and better retention. Weigh only one-third as much as the steel caps they replace. 4. New combination seat and shoulder belt system with inertia reel allows driver and right front passenger freedom of movement. A new sequential starter interlock system helps you

For comfort.
• Flow-through ventilation system that circulates outside air through inside of car while you're driving. • Built-in blended-air heater and defroster system. 9. Molded full foam front and rear seat construction • Separate front frame unit, cushion-mounted to body and front end for added driving comfort.

For driving.
10. Wide front and rear tread. 11. Computer-selected front coil or multi-leaf rear springs. • Front ride stabilizer on all models. 12. Bias-mounted rear shock absorbers. • Precise Ball-Nut steering. • Self-adjusting brakes. • Single-unit power beam headlights. 13. 21-gallon fuel tank. • Hydraulic valve lifters.

For quality and durability.
Corrosion-resistant rocker panels. 15. Steel inner fenders, front and rear, to help protect outer fenders. • Double-panel door, hood and deck lid construction. 16. Sealed side-terminal Energy battery that helps resist terminal corrosion. • Delcotron generator with solid state regulator. • Coolant recovery system. 17. Improved tailpipe support.

Occupant protection.
• Seat belts with pushbutton buckles for all passenger positions. • Two combination seat and shoulder belts for driver and right front passenger (with reminder light and buzzer, inertia reel and starter interlock). • Two front seat head restraints. • Energy-absorbing steering column. • Passenger-guard door locks. • Safety door latches and hinges. • Folding seat back latches. • Energy-absorbing padded instrument panel and front seat back tops. • Contoured windshield header. • Thick-laminate windshield. • Padded sun visors. • Safety armrests. • Safety steering wheel. • Cargo-guard luggage compartment (except hatchback coupes). • Side-guard beams.
